How did you find out about TiC ?
.....

From time to time, TiC may be visited by the media who will take photographs or film footage of productions, workshops or TiC events. TiC students may appear in these images, which may appear in local or national newspapers, televised news programmes and TiC's website and promotional material.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child.

Permission Given:

Date:

Please note that TiC is responsible for the safety of your child during workshop session times only.
